Anmerkungen

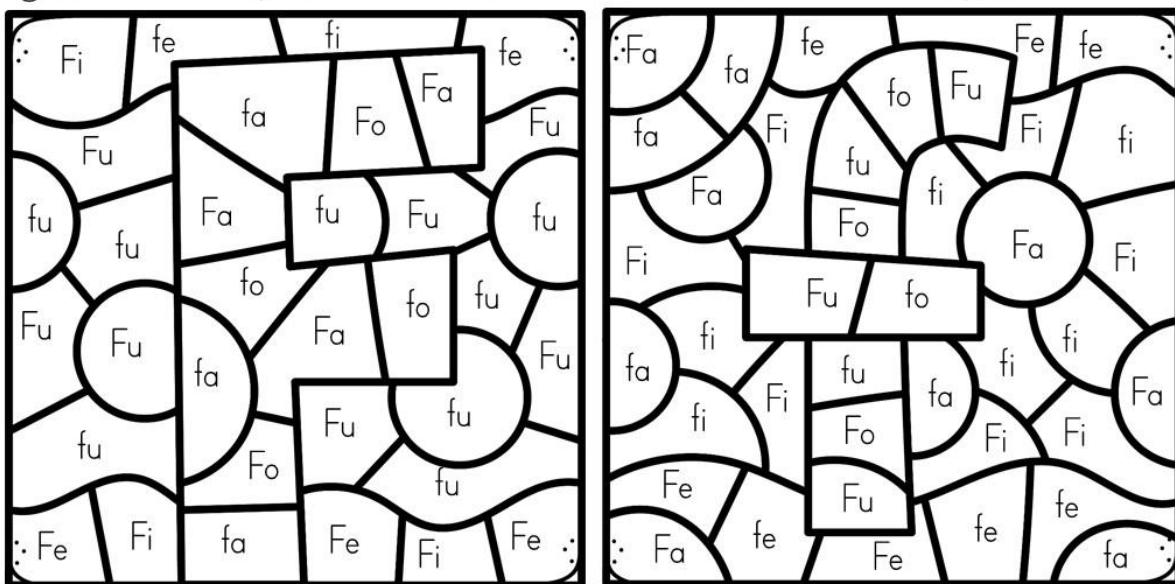

Die Schüler*innen lesen erste Silben. Bei dieser Übung müssen die Schüler*innen nicht sofort ein ganzes Wort erfassen, sondern nur kleine „Häppchen“ (Silben). Wer Silben sicher lesen kann, kommt später viel leichter ins Zusammenziehen längerer Wörter.

Buchstabe F/f

Name: _____

① Lies und male an.

Die Kinder erkennen und lesen die vorgegebenen Silben (z.B. Fa, Fe, Fi, Fo, Fu) immer wieder, bis sie sie sicher beherrschen. Dabei müssen sie genau hinschauen (denn der Anfangsbuchstabe unterscheidet sich nicht, nur der Vokal). Durch das Ausmalen entsteht ein Bild. Das macht Spaß und motiviert zum Lesen.
